TOWN WARRANT

To either of the Constables of the Town of Millbury, in the County of Worcester, Greetings:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in elections and town affairs to meet at their respective voting places to wit: Precinct No. 1 at the Town Hall; Precinct No. 2 at the Burbank Street School at Bramanville; Precinct No. 3 at the Memorial High School; Precinct No. 4 at the Dorothy Manor School; and Precinct No. 5 at the East Millbury School, on Saturday, the eighth day of March, next, at eight o'clock in the forenoon, to elect the following officers, to wit:

ARTICLE 1. To choose a Town Clerk, Treasurer, Collector of Taxes, Auditor, Moderator, Six Constables, Tree Warden, One member of the Board for the term of one year; One Selectman, One member of the Millbury Housing Authority all for the term of two years; One Selectman, One Assessor, One member of the Board of Health, Two members of the School Committee, One Trustee Public Library, One Cemetery Commissioner, Two members of the Board of Public Welfare, all for the term of three years; One member of the Planning Board, for the term of five years.

ARTICLE 2. To Choose all other necessary Town Officers for the year ensuing, and to meet on March 1, 1958 at 2:00 P.M. in the Town Hall in said Millbury, to act on the following articles, to wit:

ARTICLE 3. To hear the reports of several Town Officers and Committees and act thereon.

ARTICLE 4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of Streets, the maintenance of the Town Library, the observance of Memorial and Armistice Days, Care and Improvement of cemeteries, care of clocks, care of fire alarm, the use of the Tree Warden, the use of Department of Veterans' Services, salaries of Fire Department, and Police Retirement, Pensions, or take any action thereon.

ARTICLE 5. To choose any Committee or Committees that may be thought necessary.

ARTICLE 6. To see what action the Town will take regarding the hiring of four or more policemen to patrol our streets and to raise and appropriate money for same, or take any action thereon.

ARTICLE 7. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1958 and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen, or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, or the General Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

ARTICLE 10. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money, for the general municipal purposes under authority of, and in accordance with the provisions of Chapter 49 of the Acts of 1933, and amendments thereto or take any action thereon.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, or take any action thereon.

ARTICLE 13. To see if the Town will vote to instruct the Selectmen to petition the General Court for special legislation to provisions of Chapter 31 of our General Laws, known as the Civil Service Act, or take any action thereon.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury the sum of \$7,000.00 to be expended in conjunction with any money which may be allotted by the State or County or both, under the provisions of Chapter 90 Laws or under the provisions of Chapter 718 of the Acts of 1956 to widen Elm Street from Canal Street to Main Street or take any action thereon.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury the sum of \$20,000.00 to be expended in conjunction with any money which may be allotted by the State or County, or both under the provisions of Chapter 90 of our General Laws to continue the reconstruction of West Main Street or take any action thereon.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to be expended by a committee of five citizens, to be appointed by the Moderator, for Christmas decorations for the Center of the Town or take any action thereon.

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money to be expended by The Common Committee for the beautification of the Common or take any action thereon.

ARTICLE 18. To see if the Town will vote to accept the provisions of Chapter 427 of the Acts of 1957 relating to the increase in amount of pension of every retired police officer by the amount of \$300.00 or take any action thereon.

ARTICLE 19. To see if the Town will vote to raise the sum of \$500.00 to reimburse Oscar Stowe for land taken for the reconstruction of West Main Street said sum to be transferred from the money allocated to the Town under the provisions of Chapter 718 of the Acts of 1956 for highway construction and land damage, or take any action thereon.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Selectmen and the Chief of Police, under competitive bidding, for the purchase of a new Police Cruiser, or take any action thereon.

ARTICLE 21. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapter 5 of the Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of the Blackstone River and its tributaries in the Town of Millbury, in accordance with Section 11 of Chapter 91 of our General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the commonwealth, or take any action thereon.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to replace Warning signs at four railroad crossings in the Town of Millbury, or take any action thereon.

ARTICLE 23. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Town Treasury, the sum of \$7,200.00, the negotiated price for the payment, as per agreement, pursuant to the petition of the Selectmen, for the purchase of land in the Town of Millbury on Greenwood Street, near the Southwest Cut-off from the City of Worcester for school purposes or take any action thereon.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$1,290.08 to pay the unpaid street light bill for the Month of December 1957 or take any action thereon.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money to re-shape and resurface McCracken Road from Route 146 to Greenwood Street or take any action thereon.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to provide one police officer for traffic duty at all Sunday masses at Our Lady of Lourdes Church at East Millbury or take any action thereon.

ARTICLE 27. To see if the Town will vote to instruct the Moderator to appoint a Committee of five citizens to make plans for the observance of the Town's 150th Anniversary, said committee to bring in their preliminary report at the next Annual Town meeting or take any action thereon.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to replace damaged and destroyed street signs, and to erect new signs in the Town, or take any action thereon.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$750.00 to pay a judgment against the Town for damages incurred at the Lincoln Avenue Extension Railroad crossing or take any action thereon.

ARTICLE 30. To see if the Town will vote to authorize the Selectmen to install parking meters in the Town of Millbury where, in their discretion they deem it advisable and to enter into a contract or contracts for the installation of the parking meters, or take any action thereon.

ARTICLE 31. To see if the Town will vote to accept the provisions of Section 6B of Chapter 40 of our General Laws authorizing the Town to appropriate money for the purchase of uniforms for the permanent members of the Police and Fire departments, or take any action thereon.

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money to be expended for uniforms for the permanent members of the police department, or take any action thereon.

ARTICLE 33. To see if the Town will vote to authorize the Board of selectmen to file an application with the Federal Government for an interest-free advance of Federal Funds, as provided under Public Law 560, 83rd Congress, to finance the cost of engineering, surveying, design and plans for working drawings and specifications for a sewer system and sewage disposal installation; such advances to be repaid when construction is undertaken; to furnish the Federal Government such information, data and documents pertaining to the application for an advance as may be required and otherwise to act as the authorized representative of the Town in connection with this application or take any action thereon.

ARTICLE 34. To see if the Town will vote to accept the following By-law namely: No person shall remove any soil, loam, sand or gravel from any land not in public use without the written permission of the Board of Selectmen, except such removal as may be incidental to the construction or alteration of buildings thereon, or in connection with the improvement of said land by planting, landscaping, or grading, or when such removal is necessarily incidental to the construction of a road or other facility involving a permanent change in the use of the land.

No such permit shall be issued until an application therefor is filed with said Board. Said Board shall hold a special public hearing on the application and notice of the filing of such application and the date and time of the public hearing thereon shall be advertised in a paper published in the Town of Millbury and circulated seven days at least before the public hearing. Copy of such notice shall be sent seven days at least before the public hearing by registered mail to each owner of premises abutting said land from which such soil, loam, sand or gravel is to be removed.

In issuing a permit under this by-law the Board of Selectmen shall impose such reasonable conditions as may be necessary to the adequate protection of the neighborhood, and the town, which condition shall be attached to and made a part of the permit. The Board of Selectmen shall revoke any permit for violation of any condition thereof.

No permit shall be issued under this by-law for a period of more than one year.

The penalty for violation of this by-law shall be \$50. for the first offense; \$100. for the second offense and \$200. for each subsequent offense, or take any action thereon.

Article 35. To see if the Town will vote to accept the following changes in the boundary lines of the present voting precincts as recommended by the Selectmen in accordance with a plan and statement filed in the Office of the Town Clerk to wit:—

PRECINCTS OF THE TOWN OF MILLBURY

SELECTMEN OF MILLBURY

A true Copy.

Selectmen of Millbury

Attest:

Constable of Millbury

Report of Selectmen

To the Citizens of the Town of Millbury :

The Board of Selectmen presents its report and the reports of the various Town Officers for the year ending December 31, 1957.

By unanimous vote, Blue Cross and Blue Shield was awarded the hospital and medical insurance and John Hancock Mutual Life the life and accidental death insurance contracts under Chapter 32B, General Laws of Mass. for Town employees earning \$1,000 per year or more.

The Town has been fortunate to have some very good and active committees working on its behalf for the past year, such as the Common Committee. They re-seeded the common, planted tulips, trees and shrubs. A job well done by Mrs. Myron Johnson, Mrs. Dorothy Kennedy, Roy Army, Ernest Tarbox, and Leodore Tebo, Jr.

Once again the Christmas Decorating Committee did a most wonderful job for the Holiday Season. Many favorable and complimentary remarks were heard about their efforts. On this committee were Marcellus Wissell, Harold Freeman, Wilma Ela and Ray Chevalier.

The following were appointed to the East Millbury Playground Committee: Leo Bachant, William McMahon, Henry Gafvert, Ernest George, Gerard Dore, Staney Sadowski, Francis Maguire, Raymond Modig, Edward Santon, and Walter Swift. This committee has accomplished a great deal, such as erecting a back-stop for Little League Baseball, placing a chain-link fence around the playground and also filled in and leveled field.

A new Forest Fire Truck has been purchased from the Farrar Co., Woodville, Mass., for \$6,435 which includes \$200 worth of added equipment in exchange for the old truck. This committee consisted of: Norman Cofske, William Horne, Fred LeClaire, Rudolph Holland and Frederick E. Lucas.

Zoning for the Town of Millbury went into effect May 28, 1957 and up to this date 57 have applied and have been granted Zoning Permits.

In conjunction with Zoning, an Appeal Board was appointed and consisted of Charles Monigle, Benjamin Hoyt, Wilfred Dufour, George Malo, Dudley Bowker, Arthur Collette, Jr., and Joseph Gagliardi.

A new Town Barn was erected on Water St., by the Highway Dept., under the supervision of Levi Chase the Highway

Surveyor. Mr. Paul Harris, Richard J. Dwinell and Levi Chase served on this committee.

A meeting was arranged by the Board of Selectmen, between Mr. Frank Morgenroth, of Morgenroth and Associates of Boston and interested town departments for Tuesday, May 14th at 8 P. M. to discuss the possibility of acquiring a working plan for town sewerage. As a result, the Board have placed an article in the Town Warrant for authority by the townspeople to acquire aid from the Federal Government.

Housing for the Elderly got off to a grand start with the acquisition of the old St. Bridgets church and land which was donated to the town by the Most Rev. John J. Wright, Bishop of Worcester. Since the acceptance of said property, the church has been demolished and bids for construction of new homes for the Elderly will be taken in the near future by the Millbury Housing Authority.

During the year, a Council For Aging has been formed and a membership of approx. 60 meet weekly in their room in the Town Hall.

An Industrial development on Route 146 has been given a start when the Board granted permission to Rural Gas Service Inc., to install one 30,000 gallon tank for storage of propane gas and also the construction of a modern office and sales-room.

On Nov. 25 the Board met with all department heads and discussed a five-year development program and expenditures of the various departments. This meeting proved to be a success in giving us all a better idea of each department needs for the next five years.

At present the Board is negotiating with the City of Worcester for the acquisition of 18 acres in the Greenwood St. area, for the purpose of a proposed school site. If acquired the Board will put it to use immediately as a recreation site.

The Board is very anxious in obtaining more people to work on committees. More citizen participation is needed.

We wish to take this opportunity to thank all Departments and Department Heads for their cooperation in making this year a successful one for the Town of Millbury.

Respectfully submitted,

RICHARD J. DWINNEL
DIANA HILL
FREDERICK E. LUCAS

Respectfully submitted,

STEPHEN F. BELLVILLE

Collector of Taxes

Veterans' Service Department

Honorable Board of Selectmen :

As Veterans' Agent and Director of Veterans' Services, I herewith submit my report of services rendered, financial aid granted, and financial reports for the year ending December 31, 1957.

Unlike past years, no record was kept of the number of veterans or their dependents who sought advice and assistance through this office, but who required no specific application to any source.—However, approximately 800 applications and claims were processed through this office and submitted to various branches of the local, state and federal governments. They pertained to allotments, bonus, burial allowance, insurance, loans, review of discharges, compensation and pension, education and training, hospital and clinical treatment, taxes, and financial aid.

As a result of these claims, in excess of \$95,669.00 in cash awards were received by veterans, and/or their dependents on whose behalf claims were filed. An additional \$150,000 in GI loans were obtained.

The awards which were made by the Veterans Administration for pension and compensation will continue in most cases throughout the year 1958, and will bring an additional \$35,000.00 to our veterans and their dependents.

I cannot stress too much the importance of this service work, for it has a direct bearing on our local aid program. Many of the veterans cared for at Veterans Administration hospitals would qualify for local assistance, and this would greatly increase our medical cost. Pension and compensation received for veterans and widows reduce our ordinary benefits cost.—Through many of these awards from the federal government, we have been able to eliminate entirely, certain cases receiving local financial assistance.

Veterans' Benefits

A total of 112 applications for Veterans' Benefits were processed during the year. Of these, 85 cases effecting 233 people were approved by this office and submitted to the State Commissioner of Veterans' Services for approval and reimbursement; 9 cases were referred to other cities or towns for action, and 17 cases were rejected for reason of ineligibility or income in excess of our approved budgets.

A total of \$30,795.43 was expended for Veterans' Aid during the year and of that amount \$15,828.79 either has been, or will be returned to the General Account through reimbursements.

Expenditures for 1957 were \$5,468.19 more than in the year 1956.

An 8% increase in the State approved budget is contemplated in January or February of 1958. There is also a possibility of an increased rate for hospitals and nursing homes.—The above increases, combined with the present local employment picture, is a cause for concern, and could very well cause a considerable increase in our outlay of benefits during the first half of the coming year.—From all available reports, it is predicted that employment will begin to show a definite increase during the last half of 1958. There should then be a decrease in our aid cases.

I wish to thank your Board for your continued co-operation. I also want to thank the members of the Board of Registrars, and in particular, the men who are taking the 1958 town census. These men have agreed to assist this department by taking a veterans' census without asking for additional compensation for their work. The census will be of great value to this office in the next year.

Report of Liaison Officer

Honorable Board of Selectmen

Dear Members:

The following is my report as your Liaison Officer for the year ending December 31st, 1957:—

In the Spring of 1957 the two remaining major repair projects caused by the flood of 1955 were completed,—the tool shed at the Central Cemetery and the Oak Pond Circle drainage.

Our final claim for reimbursement was submitted to the Flood Relief Board on June 5th, 1957. This claim totalled \$6,580.12. Of this amount, the Flood Relief Board reimbursed the Town \$5,894.12.

To summarize:—Between August 19th, 1955 and June 3rd, 1957, the Town expended a total of \$82,538.43 under Chapters #698 and #699 of the General Laws for all clearance of debris, protective care and temporary and permanent

repairs of public facilities. Of this amount, \$80,932.08 was reimbursed by the Federal and State governments. Cost to the Town over the two year period has been \$1,606.35.— With regard to the Blackstone River —the Hill Construction Company completed their contract in 1957. The work which has been done has greatly improved the river.

The State Highway Division has not as yet advertised for the new bridge on Providence Street, and it appears that it is being withheld pending a decision as to what will be done on the river from the new bridge to the Sutton Town Line.— It is hoped that a meeting with the officials early in 1958 will settle all existing problems relative to the river in Millbury. There is very little chance that the Federal government under any programs will do any further work to improve the condition of the river in the Town of Millbury. It appears that all necessary work will have to be done through the State Department of Public Works, Waterways Division.

Very truly yours,

JOHN M. HAMILTON

Liaison Officer

Road Commissioner's Report

Honorable Board of Selectmen :

I hereby respectfully submit my annual report as Highway Surveyor for the year ending December 31, 1957.

General Highway and Permanent Roads

Each year it has been the policy of the Highway Department to survey all roads and sidewalks and to make repairs where they are most needed and this has been done by the application of patch, asphalt and gravel. The main thoroughfares of the town have been swept and all catch basins cleared.

In my report of last year I mentioned that the grader had become obsolete and also that we had no facilities where town equipment could be properly repaired and stored. At this time I want to thank the officials of the town and the townspeople for making it possible to purchase a new grader and also for the building of a new Town Barn, which is located to the right of the old New York, New Haven and Hartford Railroad Station.

Our patching and oiling program has been somewhat restricted due to the increased cost of tar and asphalt. To bear out this statement you have perhaps noticed the newspaper accounts and public investigation given to this problem during the past summer.

Snow and Ice

During storm periods all roads have been plowed, sanded and treated with calcium chloride. Snow was removed from the business and church areas of the Town so that parking facilities might be improved and traffic hazards eliminated. Cemetery roads and the approach to the Town Dump have been kept open at all times.

One of our most important tasks has been to keep all school bus routes open as well as the area around the Millbury Memorial High School and the approaches to all schools.

During the past few years with the acceptance of many new streets by the Town the number of miles of plowing and sanding has increased. We have tried to give prompt and efficient service to all sections of the Town and I want to thank everyone for their cooperation and their understanding of this problem.

Oiling Streets

Many of our streets have not been given the treatment they have required this year because of the increased cost of tar and asphalt. Yet we managed to give a coating to those areas wherever the need was the greatest.

In order to provide longer life for many miles of our town roads it will be necessary to increase this appropriation.

Special Projects

The following are special projects voted at the last regular Town Meeting and all have been partially or totally completed.

1. Gravel and oil—John Street from Henry Street to Wheelock Ave.
2. Gravel and oil—Henry Street from John Street to Marion Ave
3. Grading and resurfacing Wilson Road.
4. Complete Davis Road—Grading and resurfacing.
5. Sidewalk and drain on Millbury Ave.
6. Widening, regrading and installation of drains on Millbury Ave.
7. Resurfacing Hilltop Drive—Lot 20—Lot 15
8. Widening, grading and oiling Carlstrom Road.
9. Resurfacing Shirley Ave.—Lot 31—Hilltop Drive.
10. Curbing Prospect Street.

I want to thank the Board of Selectmen for their continued cooperation.

Respectfully submitted,

LEVI J. CHASE
Highway Surveyor

Report of the Board of Public Welfare

To the Selectmen of the Town of Millbury:

The report of the Charlton Home Farm Association will be found on another page of this book.

As the Town Auditor's report gives you full description of our expenditures, reimbursements and financial report, we will not repeat at this time, but will give you an itemized list under each category of assistance, showing where and how, our appropriation was spent in giving aid to the needy persons who were eligible during the past year.

In all categories of assistance there has been an increase of 5.7% in grants to our clients which makes the basic budget increase now 25.7%. As the State Department of Public Welfare controls the budgeting methods and amounts allowed, a continuation of the upward trend can be expected. Efforts of course are made to secure all eligible resources available. The item for fuel was also increased in addition to the cost of living adjustment.

Our caseload under General Relief consisted of the following cases with settlements as follows:

- 30 cases with Milbury settlements
- 7 cases with No Settlement (state)
- 15 cases with Out-of-Town settlements
- 6 cases with Millbury settlements living elsewhere

These cases were aided for the following reasons: unemployment; waiting periods for social-security payments; large families with insufficient income; chronic and temporary illness; desertion and non-support; incompetency, etc.

GENERAL RELIEF

Cash Grants	\$3,794.05

AID TO DEPENDENT CHILDREN

During the year we aided 35 cases which consisted of 131 persons under this type of aid.

Our caseload in this type of aid is the largest that we have ever had and it keeps going up. We now have several new applications we are working on.

All these cases are not families just belonging to our town. It seems the reason for this increase is the result of these broken families from other towns and cities being able to find housing in our town.

These children become eligible for this aid due to the loss of parental support or care due to the death of a parent, desertion, divorce, separation either legal or by agreement, commitment of a parent to a penal institution, permanent absence of the father of an illegitimate child, etc.

Below is listed the itemized list of expense for aid given under this assistance:

Cash Grants	\$38,692.12
-------------	-------------

Physicians and Optometrists

Dr. Richard E. Church	\$120.00
Dr. Charles N. Church	33.00
Dr. Noe N. Benoit	215.50

Hospitalization

Saint Vincent Hospital	\$1,190.99
The Memorial Hospital	259.00

Millbury Auxiliary Police (Ambulance hire)	8.00
--	------

OLD AGE ASSISTANCE

Our Old Age Assistance caseload consisted of the following cases:

- 91 cases with Millbury settlements
- 29 cases with No Settlements (state)
- 17 cases with Out-of-Town settlements
- 19 cases with Millbury settlements living elsewhere.

Along with the increases mentioned above the nursing home and hospital rates were increased and in this type of aid we have many cases which were affected by these increased rates. Also, the exemptions allowed children of Old Age Assistance recipients were increased and this added to our expenses in many cases.

Cash Grants	\$82,480.01

Value of contents	39,400.00
Loss on contents	34,450.00
Insurance on contents	43,900.00
Insurance paid on contents	26,822.00
Blanket Insurance on factory	450,000.00

The equipment of the Fire Department consists of the following:

Number 1 Company—One Seagrave 750 gallon pumper, 2,650 feet of 2½ inch hose, 500 feet of 1½ inch hose, 500 feet of booster hose, 30 feet suction hose, two reels, one 2½ inch double gate, three nozzles for 2½ inch hose, one 1½ inch fog nozzle, two 1½ inch nozzles, two booster nozzles, two 1½ inch double gate, two electric lanterns, 14 rubber coats, 14 helmets, one acid extinguisher, one 2½ gallon pump can, one E. & J. resuscitator, two axes, one first aid kit, two sets (right and left adapters), one 5 inch adapter, one 5 inch double adapter, 1 foamite, one twenty-four foot ladder, one twelve feet ladder, one foamite nozzle, one rubber blanket, one crowbar, 2 hydrant wrenches, one 10 foot pike pole, one smoke mask, one Ansul dry chemical, 4 hose spanners, 1 four inch double siamese, one reducer (four and one-half to two and one-half inch), three cartridges, fifteen gallons of foam, two cylinders for E. & J., and a two-way radio.

Number 2 Company—One Seagrave 750 gallon pumper, 3,200 feet of 2½ inch hose, 550 feet of 1½ inch hose, 500 feet of booster line hose, 30 feet of suction hose, two 2½ inch double gates, one 1½ inch double gate, four 2½ inch nozzles, one 4 inch double siamese, one 2½ inch female siamese, one fog nozzle, two 1½ inch nozzles, one rubber blanket, 15 rubber coats, 14 helmets, one deck gun, one first aid kit, three axes, two electric lights, one cable cutter, one pump can, one crowbar, one pike pole, 3 hydrant wrenches, one coupling replacer, one hydraulic jack, 6 spanners, one reducer from four inch to 2½ inch, two reducers (two and one-half to one and one-half inch), one twenty-four foot ladder, one twelve foot ladder, one CO2 extinguisher, one chemical, one foamite chemical, two nozzles for booster pump, one tool kit, one signal light, one-half carboy of acid, two 2½ inch siamese, a new automatic tape recorder to register location of fire, a two-way radio, one cellar nozzle, and one first aid kit.

Number 3 Company—One Ford Combination Hose and Pumper, 350 gallon booster tank, 1,150 feet of 2½ inch hose, 200 feet of 1½ inch hose, 200 feet of booster line hose, 30 feet of suction hose, one C. O. 2 extinguisher, 1 round strainer, one 2½ inch suction connection, 11 pump cans, one 20 foot aluminum extension ladder, one 14 foot aluminum roof ladder, one 10 foot aluminum pole ladder, 6 paid boots, 11 rubber coats, 1 gas mask, 12 helmets, 1 first aid kit, 1 pike pole, 1 axe, 1 crowbar, 4 flashlights, 1 flare light, three 2½ inch nozzles, one 1½ inch nozzle, one 1¼ inch fog nozzle, one applicator, 2 hydrant wrenches, one 2½ inch siamese, one 1½ inch siamese, 4 spanner wrenches, 1 battery charger, 1 (2 H. P.) siren, 1 cabinet heater, one radio, and 1 Scott Air Pack.

Number 4 Company—One Seagrave sixty-five foot aerial ladder truck, one 50 foot ladder, one 35 foot ladder, one 28 foot ladder, one 24 foot ladder, one 18 foot ladder, one 16 foot ladder, one 10 foot folding ladder, one smoke mask, one inhalator, two C. C. 2 extinguishers, 1 Miller pump can, 1 Ansul dry chemical two electric lanterns, 300 feet of ¾ inch hose for booster pump, 400 feet of 2½ inch hose, 350 feet of 1½ inch hose, 4 rubber coats, one first aid kit, 4 rubber blankets, 3 axes, 1 safety belt, one 2½ inch nozzle, one 1½ inch nozzle, 6 like poles, 2 hammers, 1 deck gun, one 1500 volt electric lighting system, 100 feet of ¼ inch rope, and one radio.

Number 5 Company—One Ford pumper, 2 Ansul extinguishers, 36 feet of 4½ inch suction hose, 1000 feet of 2½ inch hose, 500 feet of 1½ inch hose, 300 feet of booster hose, one booster nozzle, two 2½ inch nozzles, one 2½ inch siamese, one 2¾ by 1¼ inch siamese, one 4¼ by 2¾ inch reducing coupling, one 5½ inch coupling, one 2½ inch female coupling, one 2½ inch male coupling, one axe, 1 crowbar, 1 pike pole, 1 attic ladder, one 14 foot ladder, one 36 foot extension ladder, 1 Scot Air pack, one dry cell searchlight, 14 coats, 12 helmets, 6 pump cans, one set of chains, 2 hydrant wrenches, 4 spanners, one radio, and one battery charger.

The Engineers have made inspection of hotels, taverns and rest homes and found them to comply with the law. We have had fire drills in all schools and found the pupils well trained, filing out in a very orderly manner.

One very important thing every home owner should do is to learn the location of the nearest fire alarm box and use it as this gets all fire apparatus on the way to the fire immediately. Telephone calls at times, delays quick service.

Be absolutely sure your incinerator is covered, and do not burn on a windy day or without a fire permit.

Respectfully submitted,

WILLIAM D. HORNE, Chief

DANIEL H. LEMIEUX

KENNETH L. ARMY

JOSEPH H. REEVES, Clerk

WALTER W. SWIFT

Board of Fire Engineers

Report of Millbury Public Library

To the Honorable Board of Selectmen.

We herewith submit our annual report for the year 1957, the Librarian's report included.

To the Trustees; As Librarian of the Millbury Public Library I submit the following report.

The Library has been open 273 days during the year, number of books purchased during the year totaled 735.

The Classification of the circulation is as follows:

Fiction—11,541

Juvenile—7,921

Non-Fiction—4,510

Magazines—1,251

The total circulation for the year was 25,223.

Both Book week and Art week were celebrated at the Library as usual. We found an increase in circulation at both of the exhibits.

We wish as always to express our sincere appreciation for the gifts received from various organizations and friends. Millbury Federated Church—Classified books of rare value. Rev. and Mrs. H. L. Thompson former Rector of St. John's Church—Classified Books

Millbury Woman's Club—Books of Non-Fiction and A Step Stool.

Singletary Rod & Gun Club—Books of Wild Life.

Mr. and Mrs. Walter K. Weyer—A collection of books for all ages.

Mrs. Andrew Stewart, Mrs. John Nort, Miss Ellen Norton, Mrs. Randolph Breault, Mrs. Everette Hawes, Mrs. Paula Perry and Mrs. Gordon Henshaw gave books of Fiction.

Mrs. Waldo Horne, Miss Mildred Horne, Mrs. James F. Kennedy and Mrs. Ray Hall gave books of Non-Fiction.

Mrs. Gordon Henshaw and Mrs. Harold Swenson—
Magazines.

Mrs. Alphonse Tebeault gave "The Catholic Free Press"
from the first copy through the year of 1956.

An anonymous friend has given to the Library for the past
few years "the Catholic Home Journal."

Mrs. Blanche Root gave a large collection of books on the
Civil War.

Report of Tree Warden, Gypsy Moth and Elm Beetle Superintendent

To the Citizens of Millbury and the Honorable Board of
Selectmen:

I hereby submit the following report as Tree Warden and
Local Moth Superintendent for the year 1957.

On the following streets and town roads hazardous trees
were cut down and removed for disposal:

<i>Streets</i>	<i>No. of trees</i>
Beach Street	2 trees
Brightside Street	1 tree
Carlton Road	1 tree
Church Street	1 tree
Dwinell	1 tree
Elmwood Street	5 trees
Mill Street	2 trees
Millbury Ave.	8 trees
North Main Street	1 tree
Railroad Avenue	2 trees
Riverlin Street	1 tree
Scott Street	3 trees
Shore Terrace	3 trees
South Main Street	2 trees
Stowe Road	1 tree
Sycamore Street	5 trees
Water Street	1 tree
West Main Street	1 tree

There was trimming of dead wood and pruning of trees
carried on throughout the town during the year 1957.

On the following streets and town roads brush was cut

from the roadside and removed to the town dump for disposal:

Harris Road
Scott Street
MacArthur Drive
Manor Road
Millbury Avenue
Wheelock Avenue

Spraying was carried on in all parts of the town in the month of June for both Gypsy Moth and Elm Leaf Beetle.

The Elm Leaf Beetle feeding was very minor in 1957 and very little Gypsy Moth feeding was noticed.

A dormant spray was applied to the Elms in the month of April for control of the Elm Bark Beetle which spreads the Dutch Elm Disease.

On the following streets and town roads Dutch Elm Diseased Trees were cut down and removed for disposal:

Streets	No. of trees
Corner of Canal and Elm Streets	1 tree
Elm Street	3 trees
Epping Street	6 trees
Kenwar Street	1 tree
Millbury Avenue	3 trees
Providence Street	3 trees
Railroad Avenue	1 tree
Riverlin Street	4 trees

There are ninety-eight (98) known cases of Dutch Elm Disease consisting of one hundred and seventy-nine (179) trees as of January 1st, 1958. Arrangements have been made with the District Supervisor of Insect Pest Control, Cecil W. Blair, for the removal of the 1957 Dutch Elm Disease Trees.

The Equipment as follows:

1 Hydraulic Spray Rig—	Block and Tackle
300-Gal. tank	First Aid Kit
1 Saw 36"—5 H.P.	2 Brush Hooks
2 Axes	2 rakes
2 Pruners	1 Broom
1 Pruning Saw	4 Safety Helmets
3 Wedges	1 Gasoline Brush Cutter
1 10 lb. Sledge Hammer	1 30 ft. Extension Ladder

The Cost of Labor and Expenses as follows:

Labor:

Donald Blare	\$10.00
Cecil W. Blair	30.00
Joseph O. Capistrone	221.25
Albert L. Graves	35.00

William H. Graves	1,039.40	
Marty W. Meservey	56.25	
George Murphy	476.25	
Hayden Stewart	286.00	
Melvin H. Thomas, Jr.	110.00	
Arthur Young	20.00	
		<hr/>
Total Labor	2,284.15	
<i>Expenses:</i>		
7707—MILLBURY TOWN REPORT		Galley 18
Gasoline for disposal of trees and brush		
Jerry's Service Station		\$65.27
New Equipment		
James H. Cookman	10.60	
Pierce Hardware Company	6.28	
First Aid Kit	7.50	
Saw Hire—William H. Graves—20 Inch—3.5 H.P.	60.00	
Town Saws Repaired—Leroy M. Thomas	45.00	
Tree Removal and Spraying Hire—Blackstone Tree		
and Landscape Service, Inc.	1,327.00	
Truck Hire—William H. Graves—2½ ton—Dump	2,193.00	
		<hr/>
Total Expenses		\$3,714.65

Respectfully submitted
WILLIAM H. GRAVES

Report of Board of Health

To the Honorable Board of Selectmen:

The Board of Health presents their annual report for the year 1957.

Regulations have been adopted by our Board that no one shall sell, offer for sale, exchange, deliver or distribute any milk or cream that is not pasteurized.

Clinics were held during the year for Polio vaccine inoculation, Influenza inoculations and Small-pox vaccinations.

Transportation to Worcester County Sanatorium for chest X-rays was provided for children and adults.

January 1, 1957 there was one patient in the Sanatorium. Two admitted during the year and two discharged. Only one patient in the Sanatoriums has a Millbury settlement as of December 31, 1957.

The following licenses and permits were issued:

- 3 Nursing Homes approved by the State Health Dept.
- 3 Nursery Play Centers

2	Overnight cabins	
2	Dairies for pasteurization of Milk	
19	Methyl alcohol licenses	
1	Permit to keep swine	
1	permit to transport garbage	
3	Licenses to open and clean cesspools or Septic tanks	
58	Permits for New Cesspools, Septic Tanks, Filter-beds or new concrete Covers.	
86	Plumbing Permits	
3	Licenses for Funeral Directors	
Contagious diseases reported for 1957.		
	Chicken-pox	26

Report of Millbury Housing Authority

The Millbury Housing Authority herewith submits its annual report for 1957.

At the annual town election in March, two new members, John J. McCrea and Raymond Whittaker, were elected to the Authority. Mr. McCrea was elected to a five-year term, and Mr. Whittaker to a four-year term to complete the term of Mr. Gordon Breault, who resigned in 1956.

Following his election to the Board of Selectmen, Frederick Lucas resigned from the Authority, and at a joint meeting of the selectmen and the Authority, Winfield W. Scott was appointed to serve until the annual election in 1958.

In September, John M. Hamilton was renamed state appointee for a five-year term by John E. Maloney, chairman of the State Housing Board.

The Authority held its annual meeting the day after the town election, and the following officers were named for 1957: Chairman, John M. Hamilton; Vice Chairman, John J. McCrea; Treasurer, Ernest T. Tarbox; Assistant Treasurer, Raymond Whittaker. Richard N. Kenary was reappointed Executive Director, and Maurice O'Brien maintenance man.

Project #200-1—Veterans

During 1957 four families left the project and they were replaced by the families of veterans Edward Krasinskas, John Parry, Amos Green, and Arthur Moore.

Average monthly rent assessed during the year was \$43.52. At the end of the year delinquent rents stood at \$297.50—a rise of more than \$180.00 over 1956.

Contracts awarded were as follows:

For weekly trash removal, Eugene Emmons—\$299.00

For heater maintenance, Howe Petroleum Products—\$250.00

For painting all exteriors 2 coats, Chester Langway—\$5,625.00

In October the Authority issued its tenth series notes on a temporary basis. This year interest rates rose about 1% to almost 3%. However, because of the annual state subsidy, the Authority was able to reduce its outstanding notes by \$6,000.00.

The following is our report of accounts for the year:

Balances December 1956

Millbury National Bank \$6,730.81

Second National Bank

(Premium acc't) 1,171.62

Second Bank—State Street Trust

Maintenance service within project	430.07
Miscellaneous services	449.94
Insurance—current and prepaid	860.68

The Authority hopes that during 1958 it will be in position to replace the remaining twenty-five wooden storm doors on all units with combination aluminum types and expects also to consider the possibility of installing storm windows.

Housing for the Elderly

Progress on housing for the elderly continued during 1957. In February the possibility of obtaining the St. Brigid land on Providence Street was again brought to the attention of the Authority, and through the assistance of John B. Maloney, chairman of the State Housing Board, His Excellency, John Wright, Bishop of Worcester, was contacted. His Excellency offered the land to the town for the expressed purpose of building a project for the elderly. Formal ceremonies for the purpose of transferring the land were held in August. When the probability of obtaining the desired land became apparent, the Authority appointed Matthew J. McCann, Jr., of Worcester as its attorney, Kenneth Shaw of Sutton as surveyor, and the Wendell Phillips Associates of Milford as architects. Frequent meetings were held during the fall, and in December percolation tests were taken by a representative of the Department of Health.

At the present writing, the Authority is awaiting a report from these tests which will help determine the size and type of sewage disposal plant needed.

It is hoped that a favorable report will be received and that construction of this much needed and desired project can begin early this summer.

Respectfully submitted,

JOHN M. HAMILTON
 ERNEST T. TARBOX
 JOHN J. McCREA
 RAYMOND J. WHITTAKER
 WINFIELD W. SCOTT
 Richard N. KENARY

Report of Forest Fire Warden

To the Honorable Board of Selectmen :

As Forest Fire Warden for the Town of Millbury, I hereby submit my report for the year ending December 31, 1957.

The year 1957 was an exceptionally dry year, so we were therefore, called to a great many more fires than in previous years. There was a total of 109 brush fires, 17 grass fires, and 3 town dump fires.

This department consists of a warden and 8 deputies.

Equipment in this department consists if :

1200 ft. of 1 1/8 in hose	1 portable forest fire pump
5 Indian pump cans	1 soda acid chemical
10 2 1/2 gal. water cans	2 15 foot tow chains
3 search lights	150 ft. of 1 1/2 inch hose
1 1/2 inch nozzle	250 ft of 1 inch rope
1 International 4 wheel	2 wool blankets
drive truck	1 co2 20 pound extinguisher
5 3/4 inch snatch box	1 24 ft. ext. ladder
1 12 foot roof ladder	

Expenses for year 1957 :

Salary of Warden	\$100.00
Payroll forms	12.00
Labor Fightin Fires	2,947.50
Auto Hire & Patrol Work	20.00
Equipment Repairs	74.66
Gas & Oil	87.07
Lunches	56.46
Total	\$3,297.69

Respectively

F. A. LeCLAIRE
Forest Fire Warden
Town of Millbury

Report of Auditor

Report of Dog Officer

To the Honorable Board of Selectmen:

The activities of this Department for the year 1957 are as follows:

Stray dogs picked up	71
Complaints investigated	16
Dog bite cases investigated	58
Bodies of animals picked up on highways	34
Livestock damage	\$27.20

Dogs must be licensed April 1st of each year. Please report lost dogs to Dog Officer immediately to assist us in returning them to their owners.

Respectfully submitted,

RUFUS W. COLBY,

Dog Officer

Planning Board

Honorable Board of Selectmen:

The Planning Board herewith submits its first Annual Report for the year ending December 31, 1957. The first meeting of this Board was held on March 18 and organized with Robert E. Blair, Chairman and Raymond T. Roach, Clerk. From this organizational date to the end of the year a total of 20 meetings were held. Rules and regulations for Subdivision Control were drawn up and following a Public Hearing were recorded at the Registry on May 15, 1957.

After the first few organizational meetings, open meetings were held the second and fourth Mondays of each month. The Board acted on 15 applications and plans as required by laws governing Subdivision Controls. The Board was encouraged by the number of people who attended these meetings seeking information.

Members of this Board attended working seminars and regional meetings held at Clark University in Worcester.

During the year the members of the Board made tours of inspection to view proposed projects. Representatives of the Board attended all hearings for variances from the Zoning Laws. The Zoning Bylaws have been reviewed by the board at various times.

At the present time the Board is investigating the cost of a Master Plan for the Town of Millbury which could be used by all departments. This Board believes in the future of Millbury and to intelligently plan for that future we feel that a Master Plan is a must.

General Conditions have caused a slow-down in residential and commercial construction; however, the Board is optimistic and feels there will be some developing of certain areas in the Town in the coming year.

We wish to thank all who have assisted us in the past year on planning problems.

Respectfully submitted,
ROBERT E. BLAIR, *Chairman*
RAYMOND T. ROACH, *Clerk*
FRANCIS E. FINNEY
J. DAVID WILBUR
WILLIAM MURPHY

Grades III-VI: 8:45 to 12 M, 1:00 to 3:00 P.M.

High and Junior High Schools: 8:15 A.M. to 2:05 P.M.

Report of the School Committee

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1957.

The year 1957, as in the past several years, has witnessed a year in which the costs of operating a school department have advanced moderately in all phases. The cost of textbooks, fuel, transportation, salaries, trade school tuitions, etc. have all contributed to the increased costs.

Effective January 1, 1957, a four hundred dollar salary increase was granted to each teacher. Also effective as of the same date is the following salary schedule:

	<i>Minimum</i>	<i>Maximum</i>
Bachelor's Degree	\$3,400	\$5,200
Master's Degree	\$3,600	\$5,400
Doctor's Degree	\$3,800	\$5,600

The Superintendent of Schools, Mr. Shea, and the High School Principal, Mr. Beaton, were granted increases of \$500.00.

In recognition of faithful service to the Millbury School System for respective periods exceeding forty (40) years, Miss Leary, Miss Burns and Miss Lindsay, were raised to the maximum of the salary schedule. The Committee is indeed proud to recognize such long-term patient, sincere service to the Millbury School System.

On May 11, 1957, Millbury was privileged to be host to the Central Division Massachusetts Musical Festival which comprises glee clubs and bands from all parts of Central Massachusetts. The festival was a success even though the weather and attendance were not what the Committee had hoped they would be. We do wish to thank all school personnel who worked so hard to make this festival a success. We also thank the sponsoring individuals and business enterprises for their generous donations.

The field house at Windle Field was completed in early 1957. During the year it provided splendid facilities for the youngsters at Windle Field. The Committee wishes again to thank Mr. Windle for his generosity.

A new type of insurance policy to cover football players was taken out by the Committee through the C. D. Whitney Agency. This type of policy covers personal injury on the practice field as well as during regular games. Up to this time, no provision had been made by the School Department

to cover medical expenses of boys injured in football practice or in games.

During the year a change in the milk price, from 6 cents to 6½ cents per bottle was mutually agreed upon by the Committee and the Greenwood and Elmhurst Dairies which supply the milk for all of our schools. This price was established for homogenized Vitamin D milk.

A new regulation little league backstop, costing \$498.00, was installed by the Eastern Fence Company at the Windle Field Little League Diamond.

Open House was conducted in all schools on November 12 from 7:00-9:00 P.M. The Committee was pleased to observe the excellent interest and response of parents at this annual get-together.

During the year several changes were made in our school athletic program. These changes were as follows:

Director of Athletics and Assistant Basketball Coach: Memorial High, Mr. Martin Roach.

Track Coach: Memorial High, Mr. James H. O'Leary.

Basketball and Football Coach: Memorial High, Mr. Philip Philip.

Assistant Football Coach: Memorial High, Mr. James D. O'Leary.

Basketball and Baseball Coach: Junior High, Mr. James D. O'Leary

For the year 1957 the State has reimbursed the town a total sum of \$95,910.73 towards the cost of school operation. This money does not come back to the School Department however, but is returned to the Town Treasury.

Much necessary new equipment has been purchased and a great deal of maintenance work has been carried out during the year. Much of our maintenance is performed by the School System's maintenance department. A complete list of projects is itemized in the report.

During the year, the Elementary Schools Survey Committee has had many meetings which resulted in the drawing up of preliminary plans for the proposed addition or annex to the Memorial High School, thus making the school a Junior-Senior High School. At the writing of this report, the preliminary plans, drawn by O. E. Nault, & Sons, Architects, have been approved in most details by the Survey Committee members, and approval by the State Building Assistance Commission which provides 50% of the building funds, is tentative.

It is planned to submit these plans, along with other detailed procedures to the Millbury townspeople at a special town meeting early in 1958. The members of the Survey

Committee are as follows: Arthur L. Stowe, Chairman; M. Pearl Lacouture, Secretary; Frederick Heidtmann; Roy Wahlstrom; Walter Swift; Richard Dwinell; Walter Dolan; George Ryan.

As stated in our 1956 report, the operation of our school system is becoming a larger business each year. Successful operation of such an enterprise could not be accomplished without the cooperation of principals, teachers, school department workers, and townspeople. The present Committee is appreciative of this help, as well as that given it by the Mothers' Clubs, PTA and other groups during the year.

In this age of inflation on the home front and the Russian threat on the foreign front, let's work together to produce the best schools and the best education that it is possible to provide for our children. Plan to attend the special town meeting pertaining to our new school, which will be so important to the future of our children, town and country.

Again we thank everyone for their kind cooperation during the past year.

ROY A. WAHLSTROM,
School Committee

Report of Superintendent of Schools

To the School Committee:

I respectfully submit my twenty-first annual report and the sixty-eighth in the series of reports of the Millbury School Superintendents.

The Department of Elementary School Principals of the National Education Association this year completed a study of the role parents should play in formulating educational programs and the areas they should leave to professional educators. It said, "Civic groups have the right and duty to advise the board of education. To go further into

the area of decision means that the group has abused its function and the board has abdicated its authority."

This has always been the policy of the Parent-Teachers Association with its ten million members and forty-two thousand local associations. The National Congress of Parents and Teachers has as one of its by-laws: "The congress, its local units, and its branches shall not seek to direct the administrative activities of the schools or to control their policies."

As a result of adhering steadfastly to this policy the Parent-Teacher Association has become a valuable aid to school boards and superintendents throughout the country. Because of their primary interest in the children they constitute a natural fact-finding group, and their recommendations are of great value to superintendents and school boards. In the every day work of running the schools, their activity finds expression in many useful ways.

We are all interested in better public schools and know that there is always room for improvement. It is only when we work together as a team, School Committee, school administrators, teachers, parents, and civic groups, that we can constantly improve our schools so that they will continue to be a source of pride to the community.

Our work with the children in grades one through eight this year has been inspired with this thought, that through success, and the pride of accomplishment, a child gains confidence and self-respect. By contributing to the group a child feels he belongs to the group. Every effort has been made by the teachers in planning their work to provide for the individual interests and abilities of the children. A variety of interesting and gainful learning experiences have been enjoyed by the pupils in a classroom atmosphere that was pleasant and encouraging, thus fostering the confidence, respect and security we aimed to develop.

The achievement test program again gives evidence that the great majority of our children are achieving well within their ability, and that our local median remains above the national in basic skill subjects.

This year we are giving the Iowa Tests of Basic Skills. These tests provide for the measurement, at the third- to ninth-grade levels, of certain skills involved in reading, work-study, language, and arithmetic. All these skills are crucial in the whole educational development of the pupil, and largely determine the extent to which he can profit from later instruction. Periodic reliable measurement of the development of these skills is essential for effective supervision of instruction and individualization of teaching in the grades. It is essential, also, for adequate educational guidance before, at, and after entrance into the senior high school.

The first and most important purpose of these tests is to enable teachers and school officials to become more quickly and dependably acquainted with the educational accomplishments and abilities of each pupil, in order that instruction and guidance may be better adapted to his individual needs, interests, and abilities. If the teacher must depend upon direct observation only, he may require months to identify individual pupils' strengths and weaknesses in the various skills required for success in school achievement. Even after a whole year with a large class, the teacher may be unable to evaluate properly the achievements and capabilities of certain pupils. Furthermore, many of his impressions may be biased by irrelevant factors such as the personality of the pupil or his willingness to conform to routine requirements. With the aid of information provided by the Iowa Tests of Basic Skills, however, the teacher can quickly determine specific aspects of the pupil's development most in need of individual attention,

and can begin remedial and individual instruction at once.

The second major purpose of these tests is to supply the teacher, counselor, pupil, and parent with important information needed for effective educational guidance. By early identification of talents or limitations, the test results will make possible earlier and more effective planning toward appropriate educational and vocational goals. The test results have proved particularly valuable as an objective basis for consultations with parents about their plans and aspirations for their children, as well as about more immediate pupil problems. Many parents who would discount a teacher's rating of their children's abilities will accept the wholly objective evaluation provided by the tests. The record of test results, likewise, provides a very effective means of drawing the pupil's attention to his own particular strengths and weaknesses, and of motivating him to increased and better directed effort in his school work.

The third major purpose of the tests is to provide the school official with an objective and dependable basis for the evaluation of school and class achievement. The test results will help the administrator and supervisor identify those areas of the instructional program most in need of greater emphasis, of increased supervisory "drive," or of curriculum reorganization. Furthermore, the highly specific and meaningful definitions of educational objectives contained in the test exercises themselves can do much to clarify the thinking of supervisors and teachers concerning these objectives.

Changes in Staff

Horace Mann Pupils

During the year, we were pleased to add the names of the following pupils to the Horace Mann honor roll in the Millbury Memorial High School:

Patricia Turgeon

During the year, we were pleased to add the name of the following site for the Central Massachusetts Music Educators Festival. More than 2100 young musicians visited Millbury representing the bands, orchestras, and glee clubs of high and junior high schools from 41

cities and towns of Central Massachusetts. That the festival was a huge success is evidenced by the number of congratulatory letters received by your General Chairman. To the Chairman and committee members and all who helped in any way towards the success of this undertaking, we are truly grateful.

Roy Wahlstrom and Bob Swift conducted an auction in the Millbury Memorial High School gymnasium to help defray some of the expenses incurred in conducting the Music Festival. We are most grateful to Bob and Roy for their part in this undertaking. In addition to raising a considerable sum of money, a very pleasant evening was enjoyed by all who attended.

Our most sincere thanks go to Mr. Winfred W. Windle for making it possible for the children and townspeople to have benefit of the beautiful and functional fieldhouse. This modern fieldhouse was made possible because of your generous contribution of money and your unselfish sacrifice of time.

Your gift of large and beautiful new flags for our school has also not gone unnoticed by the townspeople. There has been nothing but complimentary remarks since they first graced the schools' flag poles.

As if this were not enough, the commercial department of Millbury Memorial High School also came under the sway of your munificence. Audograph machines, something of a new experience for our commercial students, are now rightly members of this department, and are greatly appreciated.

To the Dorothy Manor Mothers' Club our thanks are also due for the typewriter and ditto machine which this year were presented by that organization.

I wish to express my appreciation to the members of the School Committee for their friendly advice, wise counsel and encouragement throughout the past year, to members of the school staff for their friendship, loyalty, diligence and cooperation, to the Parent-Teacher Association and the Mothers' Clubs for their efforts in promoting better understanding between the home and the school, and to the town departments and other organizations who have been so helpful during the past year.

Respectfully submitted,
WILLIAM D. SHEA,
Superintendent of Schools

*Report of Mr. Stephen Beaton
High School Principal*

The enrollment in the Millbury Memorial High School at the beginning of this year was 467. This was a marked increase over the previous year's enrollment, and, as was predicted, sent us over the 450 figure which the building committee had stated that the school was built to accommodate. This does not mean that the school has reached its capacity, but that it is crowded and the need of an additional teacher is urgent.

There were two changes in the high school faculty this year. We lost the valued services of Mr. Arthur Smith and Mr. Angelo Insalaco. Mr. Smith, who taught Commercial Geography and Consumer Economics, left us at the first of the year to take a much more lucrative position with a business firm. Mr. Insalaco, who taught boys' physical education, driver education, and was coach of football and track, left us to take a similar position in the town of Holliston, Massachusetts. Mr. Smith's position was filled by Mr. Richard Greene, a graduate of Worcester State Teachers' College. The appointment of Mr. Martin Roach to the position of Director of Athletics, and his subsequent dropping of the coaching of basketball brought about a change in the

position left open by the resignation of Mr. Insalaco. Mr. Philip Philip, an outstanding athlete from Worcester, who attended Colby College in Maine for his first two collegiate years and graduated from Clark University in Worcester, was appointed teacher of boys' physical education and driver education and was hired to coach football and boys' basketball. Mr. James H. O'Leary, from the Junior High faculty, was appointed coach of track. We would like to express our thanks to Mr. Smith and Mr. Insalaco for jobs well done and wish them success in their new positions. We welcome our new members to our faculty and hope that their years with us will be pleasant and fruitful.

The prizes and scholarships annually awarded to the members of the graduating class were as follows: Miss Judith Malo was awarded the D.A.R. Good Citizen Certificate for outstanding characteristics of good citizenship; Miss Jacqueline Tebo was presented the Millbury Woman's Club Scholarship of two hundred dollars by Mrs. Edwin White, president; Miss Jacqueline Tebo and Mr. Philip Arsenault were presented the Millbury Parent-Teacher Association Scholarships of one hundred dollars by Mrs. Frank Sheehan, immediate past-president; Miss Jacqueline Tebo was awarded the Millbury Credit Union Scholarship of one hundred dollars by Rev. Mont Thornburg, vice-president of the Board of Directors; the Misses Sandra Hayes and Elizabeth Schunmann were presented the Millbury Memorial High School Faculty Scholarships of one hundred dollars by Principal Stephen Beaton; Paul Savageaux was awarded the Millbury Memorial High School Student Body Scholarship of one hundred dollars by Michael Maher, president of the Junior Class. To the above donors we wish to express our sincere appreciation for these generous gifts.

For the third year in succession the *Reflector* in competition with several hundred other high school magazines, was awarded "First Place" by the Columbia Scholastic Press Association. In addition to this, the *Reflector* was given a Class A Rating by the New England Scholastic Press Association. There were only three "A" ratings awarded in our class (Class III). So, once again to Mr. Hamilton, Miss Marlborough, Miss Pronski, and to the members of the *Reflector* staff, we want to express our sincere appreciation for another exceptional year and for the honor you have brought our school.

During the past year, the Massachusetts Music Educators' Association chose the Millbury Memorial High School to be host school to the Central Massachusetts Music Festival. In spite of inclement weather the festival was proclaimed to have been a success. Our band made a good showing and the results of this were noticed at our Thanksgiving Day football game when the band, playing between halves, made us all feel quite proud of them. Congratulations to Dr. Freeman, Mr. Mischitelli and the members of the band for a job well done.

The Student Council had a banner year when it played host to the Central Division, Massachusetts Association of Student Councils. "One of the best attended and better run meetings the organization has ever had," was the general comment. Most of the credit for this goes to Mr. Raymond Shaw and the members of our Student Council, to whom we say, "our heartiest congratulations."

During the past year the Dramatic Club has put on two smash hits, "Mr. CO-ED," in the spring, and "You Can't Kiss Caroline," this fall. Both plays were directed, staged and played with the finesse of professionals. We thank Miss Adrienne Lachapelle and Miss Jean Shea for their excellent jobs of directing and staging these plays and the casts for two very fine performances.

On Friday, March 29, 1957, Millbury Memorial High School held

its Science Fair under the supervision of Mr. Thomas McGinn, head of the Science Department. The Science Fair is sponsored by the Worcester Kiwanis Club, Inc. The following pupils were winners: Norman Paille won first prize for his solar furnace; William Thompson won second prize for his exhibit of alcoholic fermentation; Miss Sandra Hayes and Robert Grenier won honorable mention. Miss Hayes' exhibit was a map projection, and Robert Grenier's was a model illustrating safety devices on a steam boiler. Much credit for the ever increasing success of these fairs in our schools goes to Mr. McGinn and the members of his Science Club.

In athletics our track team deserves special mention. The team went to Spencer for the Worcester County Championship Track Meet as distance "under-dogs" but came home with the championship and the trophy emblematic of this honor. This victory can be traced to the fine handling of the boys by Coach Insalaco and the determination to win shown by the entire team.

The various clubs and organizations in the Millbury Memorial High School once again enjoyed pleasant and successful seasons under the guidance and leadership of the following teachers: Boys' Athletics, Mr. Martin Roach, Mr. Angelo Insalaco, Mr. David Otto, Mr. Philip Philip and Mr. James D. O'Leary; Girls' Athletics, Miss Ann Harrington; the Cheering Squad, Mrs. Ethel Gladstone and Miss Honora Kinnier; the Student Council, Mr. Raymond Shaw; the Band, Dr. Warren Freeman and Mr. Vincent Mischitelli; the French Club, Miss Helen Brown; the Science Club, Mr. Thomas McGinn; the Biology Club, Mr. Richard Kenary, the Junior Red Cross, Mr. Raymond Shaw; the *Reflector*, Mr. Thomas Hamilton, Miss Margaret Marlborough and Miss Frances Pronski; the *Aftermath*, Miss Helen Brown and Miss Honora Kinnier; the Dramatic Club, Miss Adrienne Lachapelle and Miss Jean Shea; the Glee Club, Talent Assembly Group and Organ Class, Miss Katherine Bowe; Public Speaking and Debating, Mr. Richard Greene.

The interest of the pupils and parents in education is most often reflected in the attendance of the pupils in school. If attendance is a criterion of judgment of school interest, then our 96+ percent for the year is certainly an overwhelming testimony of the interest of the parents and pupils of our town.

Report of Mrs. Ellen Clark Cafeteria Manager

The fourth year of our cafeteria has been completed. From January 2 to December 20, there were 49,989 meals served. In addition to these meals, 20,215 bottles of milk were sold to pupils who carry their lunch.

*Report of Mr. Arthur J. O'Mara
Junior High School and Center School Principal*

At the opening of the school year in September, the enrollment of the Junior High School was 253 pupils. This was a slight decrease from the number enrolled the previous year.

We welcome to the faculty of the Junior High School Mr. James D. O'Leary of Worcester who replaced Mr. David Otto who resigned to accept a position in Ohio.

The annual spelling contest was held in April with the pupils from the seventh grades competing. The contest, under the direction of Miss Pauline Lambert, was won by Jeffrey Murray.

In May, the Junior High School presented the operetta, "White Gypsy," in the auditorium of the Memorial High School under the capable direction of Miss Katherine Bowe, Supervisor of Music. Miss Florence Scarpaci and Mr. William McCullough assisted in preparing the very effective background and scenery. The production offered delightful entertainment to the parents and friends of the students.

The annual class trip to Boston for the members of the eighth grade graduating class was most interesting and pleasant. The class and the members of the faculty who chaperoned the group enjoyed visiting many historical and educational points of interest in the city. The trip included visits to the Science Museum, Bunker Hill, Charlestown Navy Yard, Old North Church and the Gardner Museum.

The graduating class of 1957, numbering 155 pupils, was the largest class ever to graduate from the Junior High School.

Parents' Night, November 12, 1957, gave the parents of the children an opportunity to visit the schools to discuss with the teachers the work of their children. The keen interest of the parents in their children's school work was evidenced by the large attendance.

During the year we purchased a filmstrip projector for use in the classes. Film strips are used to advantage especially in the science and geography classes. The pupils find these visual aids helpful and interesting.

In the Center School, the enrollment in September was unusually large with 313 pupils in attendance. This was an increase of over 50 pupils over the enrollment in September 1956.

One new teacher joined the faculty of the Center School. Mr. Raymond Gemme, to whom we extend a warm welcome, replaced Mr. Edgar Langevin who accepted a position in the Worcester School System.

The cooperation which has been extended to us by parents and teachers is deeply appreciated.

*Report of Mrs. Constance J. Dobie
Special Class Teacher*

The Special Class, in moving from the Millbury Public Library to the Dorothy Manor School, has definitely taken a step forward. Our equipment is excellent and the space for extra-curricular activities is

much appreciated. It is also rewarding for the children to "belong" to a particular school set-up. We are continuing with coordination work of all types, but find increasing interest in academic subjects with the pupils who have attended since the initiation of the class.

At present, the group is the largest that we have had, consisting of seven boys and three girls, each working at his or her own level and rate of advancement. Progress with this class is necessarily slow, but nevertheless rewarding.

*Report of Miss Ann D. Harrington
Supervisor of Physical Education—Girls*

The high school physical education program stresses participation by all the students and offers a program that is various and well-rounded. Both individual and dual activities are offered with emphasis on "carry-over" value, i.e. post school participation. The following activities, tennis, archery, bowling, badminton, table tennis, and dancing are considered particularly adaptable to this "carry-over" program.

Those students exhibiting a greater degree of skill are offered a program of inter-scholastic team competition. In the inter-scholastic program, the development of team work is considered to be as important as the development of skills. The sports of field hockey, soccer, fieldball, volleyball, basketball, and softball are designed to develop leadership.

In the regularly scheduled gym classes a program of calisthenics and conditioning exercises is offered to raise the general physical fitness of each student. The Kraus-Weber Physical Fitness Test is administered to determine the level of each student. Every girl is encouraged and expected to attain a certain degree of physical skill and have a general knowledge of many sports and activities.

The junior high school physical education program is drastically limited because of inadequate facilities. In the Junior High, the emphasis is on the "lead-up" games that develop the basic skills which will be utilized in the high school program.

Specifically, during the last year, two intra-mural activities were held, one in basketball and the other in volleyball. The organization of the teams was based on home rooms. Both of these programs were enthusiastically received by the student body evidenced by the large student participation and attendance.

Interscholastically in field hockey, basketball, and softball, the high school girls performed on a par with their rivals and in such a way that the town can be proud of their representatives.

*Report of Mr. Philip Philip
Supervisor of Physical Education—Boys*

The Memorial High School boys' physical education program has for its specific aim and purpose this underlying thought: to teach physical skills in competitive sports and to instill some ideas on mental health. I do not harbor any thought of producing any professional athletes, but this is not to say that I do not watch with great interest the progress shown by any boy. If I feel that a boy has great ability in any sport, and that this ability is accompanied by a tremendous desire to play, to win, and to succeed, then I shall certainly go all out to help this boy fulfill his potentialities. I must reiterate, however, that this program is designed more with the purpose of acquainting boys with a number of sports.

The mental health aspect of the program is perhaps a new twist in physical education at our school, but I feel it is an essential one. Needless to say, I will only deal with surface observations of mental

health and illnesses.

In regard to sports, I shall teach touch football, basketball, volley ball, trampoline, tennis, softball, and some tumbling and wrestling. Again I repeat, I only hope to acquaint the boys with these sports, in the hope that some of them may arouse interest and that the boy will respond in a positive fashion.

After the basketball season is concluded, I am going to organize an intramural basketball program which should involve a majority of the high school boys. I plan also to institute a tennis tournament if enough boys express the wish to participate.

In summation, it is my hope that I can acquaint and inspire interest in sports so that after graduation each boy will enjoy a richer and fuller life, and also I hope to at least give each student an idea of the causes, cures, types, and need for a better understanding of mental health.

*Report of Mrs. Jane S. Dakin
Supervisor of Home Economics*

Our Home Economics classes attempt to set up courses which will meet with the family life needs of the students at present, as well as for their future homes and families.

The three units are concerned with assisting the pupils with developing abilities to carry their respective home responsibilities in relation to foods, clothing and gracious living. Not only is emphasis placed on skills but also on developing better understanding attitudes and ideals needed in the home and family.

A total of 61 freshman girls with 20 advanced students were enrolled in classes during the year. Eighty-four individual dishes were prepared and served with three complete family-type meals executed.

Food buying, preservation, storage, nutrition, selection and arrangement of kitchens, were also emphasized.

The clothing unit encompassed wardrobe planning, selection, purchase of clothing, construction, care and repair. During the year 120 dresses, skirts and blouses were completed with advanced class accounting for an additional 33 items advanced in style and construction.

The laundering and mending of football uniforms, cafeteria towels continue to be a seasonal and daily duty.

Two colored electric ranges, refrigerator, washer and dryer replaced the former equipment. With the increased importance in efficiency in modern equipment, the students learn the potential usefulness of each.

*Report of Miss Rose B. Neri
Teacher of Junior High School Sewing*

It is most gratifying to report a tremendous increase of enthusiasm among pupils for the sewing art; they take great pride in achieving attractive and useful results with projects assigned to them. A major objective is for each girl to make the most of her potentialities in this specialized subject. I am very pleased to have above average cooperation from pupils this year.

The seventh grade pupils acquire an extensive knowledge of fundamental hand stitches and some decorative stitchery. All stitches are applied in constructing three articles for a sewing kit and a household article. The latter part of the school year is devoted to a comprehensive study of the sewing machine; girls attain a thorough understanding of functional mechanisms of the machine and commence basic practice in operating it.

Practice in machine sewing is furthered in the eighth grade by making numerous seams. Streamlined techniques essential for de-

veloping a good sense of design and workmanship are presented throughout the course. All pupils are required to make an apron and a dress for which the commercial pattern is used. They are taught to read symbols appearing on patterns, follow directions, alter standard pattern measurements to their individual measurements, adopt desired ornamental trim and apply attractive color harmony. The advanced girls progress to a third garment of their choice introducing them to more intricate tailoring, different fabrics and varied styles.

Report of Mr. Wilmar H. Ela
Supervisor of Industrial Arts

The Industrial Arts program presents on a somewhat smaller scale, experiences as they actually exist within the walls of industry. It provides a basis for an understanding and knowledge of the composition of materials and manufacturing processes used throughout the world, and practices in working with machines, tools and materials.

This is a broad program which includes the exploration of wide industrial practices. In order to provide for the necessary learning situations in the classroom, the teacher uses many instructional materials and techniques, including verbal material, teacher demonstrations, visual and audio-visual aids, and laboratory practices. The program creates lifelike situations, and helps the learner to perceive the peculiarities of many industrial procedures.

A modern program of safety education in the school shop proceeds on the theory that all accidents are preventable, and that both teachers and students should assume the responsibility for making the working environment as safe as is humanly possible. Safety training starts the first day the student enters the school shop and continues as long as he is there. Each student has the opportunity to develop a "safety awareness" which should lead to the development of safety habits.

Students who enroll in the Industrial Arts Course work in mechanical drawing. This provides a background for understanding most of the symbols used in blueprints. As a further step toward this kind of understanding, exercises for the interpretation of blueprints are presented. This includes having the students make picture drawings as a result of their interpretation of three-view plan drawings. Picture drawings are helpful in assisting a person to picture or visualize an object. There are several kinds of picture drawings—perspective, isometric, oblique, and cabinet. Each kind has its advantages and uses.

Report of Mr. William F. McCullough, Jr.
Teacher of Woodworking

The fifth and sixth grade pupils are introduced to the basic woodworking tools, learning the proper use, care and maintenance through the medium of woodworking projects. Each child completes two or three projects learning the correct procedure of designing, construction and finishing.

The seventh and eighth grade pupils use all the hand tools along with being acquainted with the power machines. More complicated projects are undertaken in these classes usually trying to obtain four completed projects integrating both hand tools and the power machines (grinder, lathe, band saw, drill press and jig saw).

Movies are shown concerning the manufacturing of lumber and by-products and their use in our everyday living.

Report of Miss Katherine M. Bowe
Supervisor of Music

The school music program is planned to impart to the students a knowledge of the fundamentals and theories of music, so that a maxi-

mum of pleasure, as well as an intelligent understanding, both in listening and participation, is accomplished.

In the first and second grades, rhythm, rote and action songs are taught. These children particularly enjoy action songs. From the third through the fifth grades, note reading, values, time and tune is the basis of the program. The sixth, seventh and eighth grades study two and three part harmony in songs of various moods and countries. The Junior High School pupils have two music periods a week. I supervise the music in the elementary schools once every two weeks.

In the senior high school, the Glee Club rehearses once a week. This club consists of students who are particularly interested in vocal music. More artistic and interpretative adaptations are successfully accomplished. At the present time there are forty members in the Glee Club.

The Talent Group, which meets one period a week, consists of singers, dancers and instrumentalists.

The Talent Group and Glee Club made their first appearance of the season at the Central Division of the Student Council Convention in Millbury on November 21, 1957. The Talent Group also presents exchange assemblies with various schools in the country.

Last year, the study of Organ was added to the school curriculum. A knowledge of piano is the only requirement for this course. Each student has one lesson and one practice period each week.

Through the interest of Mr. Shea and the cooperation of all the principals and teachers, the music program continues successfully in the school system.

*Report of Dr. Warren S. Freeman
Instructor of Instrumental Music*

During the year 1957, it has been our aim to develop the best possible instrumental music program for Millbury. We offered opportunities for instruction on all instruments to pupils from grade 5 through the high school. We conducted instrumental music demonstrations during the year and contacted parents in regard to the instrumental program.

Each of the schools had its own instrumental music program this year with special instruction being provided at the school during school hours. Each of the instrumental groups holds a weekly rehearsal, and opportunity is also given for individual instruction and remedial work.

The highlight of the past year in Millbury was the State Music Festival on May 11. At that time, the town of Millbury played host to more than 2,000 young musicians from all parts of Central Massachusetts at the annual Music Festival sponsored by the Massachusetts Music Educators Association in cooperation with the Millbury School Department.

The music festival represented a great step forward in the musical growth of this community. A large committee of citizens representing the various organizations within the community cooperated with the school officials and the School Committee in the planning and execution of this great musical event. Special word of thanks should be extended to the members of the School Committee, the Superintendent of Schools and the principals of the schools for their outstanding leadership in this event.

The Millbury High School band led the music festival parade in a very creditable fashion. The high school band has been greatly stimulated during the past year and now numbers more than 30 players. I have had the assistance of Mr. Vincent Mischitelli and Mr. Calvin Schraga as instructors during the past year. We have carried on the

regular high school program giving special instruction during study periods and after school and holding the regular band rehearsal during the lunch period on Wednesday. The junior high and elementary school classes are held on Wednesday afternoons of each week.

At this time it is my recommendation that consideration be given to an expansion of the instrumental music program sometime during the coming year. It is recommended that instruction for two or more days be made available in order that the instrumental music program may grow in accordance with the number of pupils interested in the study of instrumental music in Millbury.

At this time, I would like to express my deep appreciation to the School Committee, the Superintendent of Schools and to each of the principals for their unfailing cooperation in making possible an effective program of instrumental music in the schools of Millbury.

*Report of Miss Florence M. Scarpaci
Supervisor of Art*

The basic curriculum elements of the art course of study include, first an introduction to the principles of art and color harmony and experiences wherein these principles are applied, and second, problems and projects which are creative expression in drawing, painting, modeling, and craft work. These basic curriculum elements remain the same though we choose different types of experiences and projects for different groups so as to provide for pupils' needs in the different schools and grades.

Children in the primary grades need experiences with many materials, such as crayons, clay, scissors, and cardboard. They are ready to express their own ideas in concrete form after they have satisfied their desire to play with these materials, scribble with crayons, and cut aimlessly with scissors. This need is usually satisfied the first few weeks of school.

By the time the pupils reach the second and third grade, they are more anxious to improve their work. They accept with interest a few short practice periods on the forms which they wish to draw better.

Children's interests and capacities for art and constructive work show marked changes beginning approximately in the fourth grade. There is considerable interest in making and decorating articles which have a practical appeal to children. The older children are still interested in telling a story with crayon, but they are also intensely interested in design and making things.

At the junior high level there are again definitely marked changes in the art interests of most pupils. There is more interest in craft work than in illustrative work at this level. They like to make articles which to them are of practical value. For Christmas the junior high school pupils are working on colorful table and mantle decorations. They are designing the window decorations. In the spring, the challenge of creating the scenery for the school operetta is an enthusiastic project.

In the high school, the purpose of the art course is to develop ability to express beauty through the use of the principles of harmony of line, tone and color. The students work on individual projects using the various media we are fortunate to have for the course. These media include crayon, water colors, charcoal, oil paint, clay for ceramics, and also various colored construction paper for creative cutout work.

*Report of Richard E. Church, M.D.
School Physician*

The physical examinations, which are held yearly at the schools,

are now in progress. The majority of pupils examined are in good health. As in past years, many mothers have been present at the first-grade examinations. I feel that this is worthwhile.

The high school students participating in athletics are examined separately. As usual, most of the injuries are from football. Due to the stony condition of the field, there were many elbow and knee injuries this year.

The number of influenza cases in school age children was very high in the epidemic. In this area, it began in the middle of October and continued through November. Many of the later cases developed respiratory complications.

*Report of Miss Anna B. Callahan, R.N.
School Nurse*

The annual physical examinations were begun in September and were continued through the fall term. We followed the plan recommended by the State Board of Education, of making annual examination of the first grade and other grades every third year. Six minor heart conditions were found during these examinations. One of the cases was operated on and corrected. In making the examinations, it was noted that the teeth of the pupils in the upper grades almost all show that they have received excellent care. Teeth of the children in the lower grades seem to show improvement each year. The care given by the school dentist and the school nurse in the clinic sponsored by the Board of Health and the increased parental interest are all factors in this improvement.

Vision and hearing tests were given to all children. In this work, I was ably assisted by Mrs. Gagliardi. Notices of any defects will be sent to parents.

The census of handicapped children was taken and reported to the State Board of Education. During the year we had two children who were receiving home instruction.

During the year the annual smallpox clinic was held in June. Asiatic Flu inoculations were given to seventy-five members of the school personnel in November. In June a poliomyelitis clinic was held and third shots were given to 700 pupils. Two Dental Clinics were held each week during the school year.

I would like to thank the parents and teachers, Drs. Church and Hennebery, the nurses who assisted in the various clinics, Mr. Charles Riley, Treasurer of the Salvation Army Fund, and all others who assisted in any way during the past year.

Graduation Class of 1957
